9,000,000 Businesses for Sale

by Ted Konnerth

The estimates vary widely, but there are around 15,000,000 businesses in the US. Of that number, at least 9,000,000 are currently owned by Baby Boomers; i.e. anyone who was born between 1946-1964. There are 75,000,000 boomers. This generation has had an enormous impact on the economy and culture of the US since they were born...
